

Jamie Hulley Internship Information Sheet

What is the Jamie Hulley Internship Program?

The Jamie Hulley Internship Program is specifically designed to give young creatives the opportunity to assist in various elements of the theater in a rigorous professional setting. They will get to collaborate with professionals in the industry and help put a fully staged production of Stephen Sondheim's *Sweeney Todd* on its feet in BMA's blackbox theater.

Jamie Hulley was a lover of people who had the talent of seeing the good in others and making all who knew her feel special. She was known for her warm smile, quick wit, and her loud infectious laughter. Jamie was an avid seeker of new experiences. She embraced the unknown with a seemingly insatiable curiosity and definitely was a person who danced through life to the beat of a different drummer. Jamie's dream of pursuing a career in the arts was cut short in 2002 just two weeks before her 21st birthday after a brief battle with an aggressive form of lymphoma. The Jamie Hulley Arts Foundation has been a proud partner of Broadway Method Academy since 2016.
